

D. C. INTRAMURAL CAPTAIN'S INFORMATION

Team Captain,

Thank you for accepting the responsibility of leadership in organizing a team for the Drayson Center Intramural Leagues. Your time and leadership is very important for the success and organization of our intramural and recreation programs.

Here are a few things you will need to be aware of in organizing your team:

1. Please review the LLU Drayson Center intramural policies and the game rules with your team members before signing them up on the team entry form.
Forms will not be accepted until properly filled out. Please print legibly!
Early registration is strongly encouraged for these leagues will fill up.
2. All players must sign their names on the team registration form before participating in these leagues. This is a risk management issue in order to release any liability towards Loma Linda University and the Drayson Center.
All team captain's will also need to sign on the captain's signature line on the team entry form stating that you have reviewed with your teammates this information requested.
3. If a non-member wants to participate, then he/she will need to get an "Intramural Access Card" to be able to enter the facility. **(see IM policy #6)**
4. Please adhere to all deadlines for registration and team captain's meetings.
You or a team member needs to attend all captains' meetings to check on any schedule concerns, league issues, and pertinent league information.
5. Team Registration Fees: **(see IM policy #1)**
Team fees will need to be collected at time of registration along with a separate forfeit deposit check of \$70. All transactions will need to be conducted at the Membership Office.

Thank you for your help. To be able to have a fun and successful intramural program, your leadership in the organization of these teams is very essential. If you have any questions, please call me at 558-1000, ext. 43357, or Edwin Jones at ext. 82268.
